2022 NON PRO AND ROOKIE HOST QUALIFIERS

Riders qualify only once and do not need to compete at TRFAM Championships on the horse that was used to qualify. The host events will provide class entry numbers specific to the qualifier divisions. Qualifier classes must run concurrent at host events with NRHA Ancillary Rookie Level 2 and Non Pro divisions. List of current host events can be found at <https://www.trfam.com/qualifying-host-events.html#/>

Qualifier entry rules are based on NRHA Rookie Level 2 and Non Pro eligibility qualifications as of the start of the calendar year. You can enter up to three horses in each qualifier class. Qualification for TRFAM is based on the rider, not the horse. Zero and No-Scores do not qualify to participate at TRFAM Championships. Entry into the Bloomer Trailers Rookie Championship and \$50,000 Added Non Pro Championships at TRFAM is one horse per rider. NRHA Category 11 Approved.

To compete at TRFAM, riders must own or have a horse lease on file with NRHA based on NRHA rules.
